

Juneau

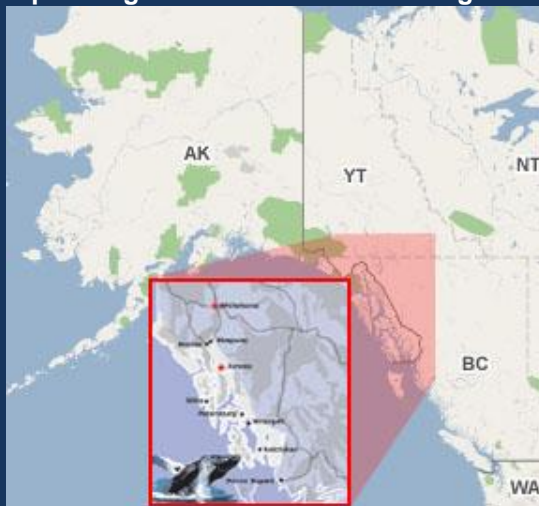

Welcome to Juneau

Juneau, Alaska's capital city is the third largest city in the state. Like Alaska, Juneau is full of contrasts, a sophisticated cosmopolitan city in the heart of the Tongass National Forest. Nestled at the base of towering mountains overlooking the Gastineau Channel, the community's rich culture and history is displayed throughout the town. Juneau has a vibrant urban feel with great dining, shopping and lodging, while being surrounded by jaw-dropping scenic vistas. Speaking of dining, sampling a city's local fare is a big part of any vacation and a visit to Juneau delivers tastes that delight the senses. From Alaska salmon, halibut and crab to sourdough bagels, homemade fudge, and award-winning coffee and beer, Juneau can satisfy even the most discriminating palate.

Travelers can expect a host of activities from wild to mild. Choose hiking miles of scenic trails through temperate rainforest, tidal beaches and up mountains capped by alpine meadows, or take to the air for stunning views of the coastal mountains and the Juneau Ice field. Helicopters and floatplanes give visitors an exhilarating view and make it possible get a sense of the vast Juneau. Backcountry viewing and berry same trip!

A stay in Juneau is time spent on the humpback whales or out as a King Salmon bait. Kayaking gives new meaning when lion haul-out. And day nearby Tracy Arm Bay with its intimate, landscape.)

We look forward to capital city and vacation experience that you'll savor for a lifetime.
