PROXIMITY OF AIRPORTS AT THE PORT OF GALVESTON

Two major airports serve the Port of Galveston

- George Bush Intercontinental Airport (IAH)
Approximately 65 miles from Galveston Island
- Houston Hobby International Airport (HOU)
Approximately 45 miles from Galveston Island.
- Note: The above charges for parking apply to vehicles occupying a single standard car parking space. Vehicles, such as buses or large campers, occupying two or more parking spaces will be charged double the above rates.
- We recommend that if you are booking your flights to your cruise from Galveston, that you consider arriving a day or two early so that you can take advantage of the local attractions as well as avoiding potential flight delays, baggage collection and transfer problems that could occur.

If you are arriving the same day as your cruise departs, please schedule your flights to arrive at HOU no later than 1:30 pm on the day of the sailing or at IAH no later than 1:00.

If this is not possible, you will need to come in a day early. For return flights, do not schedule any flights departing earlier than 12:00 from either HOU or IAH.
